CARES Act Banking Information Update Request

Information for all network providers

Through the Department of Health & Human Services (HHS), the CARES Act makes available relief funding to hospitals and health care providers during the COVID-19 public health crisis.

Molina Healthcare wants to ensure that providers receive funding as quickly as possible by reminding providers to update or provide banking information to the Centers for Medicare and Medicaid Services (CMS) as part of the eligibility requirements for the CARES Provider Relief Fund.

Please visit the links below to register, verify billing tax identification number (TIN), sign the attestation and verify payment information for funding:

- Eligibility Website: <https://covid19.linkhealth.com/#/step/1>
- CARES Provider Relief Fund Payment Portal: <https://covid19.linkhealth.com/docusign/#/step/1>

Note: Providers who have already received payments from the CARES Act Provider Relief Fund may be eligible to receive additional funds but must attest to each payment associated with their billing TIN.
