

CPT Codes Requiring Prior Authorization

NOTE: To validate coverage by site of service, please reference the appropriate Appendices below. Services not designated as a covered service in the applicable Appendix, based on the location and type of service, are not reimbursable in accordance with the Ohio Administrative Code rules, unless prior authorization is obtained. Prior authorization is always required for non-covered or non-grouper surgical codes (codes not listed in the Appendices designated for the site of service).

Site of Service	Appendix	Ohio Administrative Code (OAC)
Physician Services	Appendix DD	5101:3-1-60
