# Introduction

## Choosing Your Doctor

It is important to choose a Primary Care Physician (PCP) from this provider directory. Family members may choose the same doctor or a different doctor based on their needs. A PCP will help you with the following:

- Check-ups
- Shots
- Finding the right specialist, if needed
- Going to a hospital, if needed
- Prescriptions

If you do not choose a PCP, Molina will choose a doctor for you. Molina will always select a doctor that is closest to where you live.

*Thank you for joining the Molina Healthcare family!*

Some providers may not offer some services because of religious or moral beliefs. If this happens, Molina will let you know within 90 days.
