Post Stabilization Service Updates Effective 3/1/24

Effective March 1, 2024, Providers requesting an in-patient admission as a Post Stabilization service must request this type of service via the toll-free number (855) 322-4076.

Inpatient admission requests (not including Post Stabilization requests) received via fax will be processed within standard Inpatient regulatory and contractual time frames.

If you need further assistance, please call Provider Services at Molina Healthcare at (855) 322-4076 or contact your provider representative.

Thank you for your continued care to our members!
