

Maternal Implicit Bias Training Course

Offered by Molina Healthcare

Molina Healthcare is pleased to offer the following March of Dimes training course to our providers:

"Awareness to Action: Dismantling Bias in Maternal and Infant Healthcare™"

This training is:

- Self-paced and available on-demand to fit into your busy schedule;
- Offered at no cost to Molina providers;
- Endorsed by the American Hospital Association

Providers who complete this training will receive 1.5 CME credits.

This authentic, compelling content is for health care providers caring for women before, during and after pregnancy.

4 Key Learning Objectives

- Understand implicit bias and its impact on maternal care
- Recognize structural racism and its role in care settings and patient/provider encounters
- Apply strategies, such as the CARES Framework™ and practice cultural humility
- Establish a culture of equity to elevate maternal care provided
