A fax bulletin for the Molina Healthcare of Washington Provider Network

Council for Affordable Quality Healthcare Exclusive Credentialing Vendor Effective January 1, 2024 (Medicaid)

Molina Healthcare of Washington (Molina) would like to share an update on behalf of OneHealthPort. The Office of the Insurance Commissioner (OIC) has approved Council for Affordable Quality Healthcare (CAQH) as the exclusive credentialing vendor for Washington, effective January 1, 2024. As a result, OneHealthPort has formally issued a notice of non-renewal of its master contract with Medversant, effective December 31, 2023.

Next Steps for Providers

1. You will need to register directly with CAQH. Your OneHealthPort Single Sign-On Subscriber ID and password will not work for CAQH access.
2. You can go to <https://proview.caqh.org/Login?Type=PR> to set up a new account. Under **First Time Here?** at the bottom right corner of the page, click **Register Here** to begin the registration process.

Reminder! Molina requires that providers review their CAQH file every 90 days and validate and attest that their information is accurate to ensure our Provider Online Directory is up to date.
