Free* Virtual Conference on Opioid Use Disorder in Adolescents

Sponsored by University of Washington -- Register Now & Earn CMEs

Opioid Use Disorder video conference with Dr. Marc Fishman

What is it?

The UW Psychiatry and Addictions Case Conference series (UW PACC) is hosting special guest speaker Dr. Marc Fishman for a FREE* video conference about treatment of opioid use disorder in adolescents.

Who should attend?

Any primary care provider, mental health or addictions provider or psychiatrist in Washington State.

Why should I attend?

Dr. Fishman is a nationally renowned expert in using medications for the treatment of opioid use disorder in adolescents.

An Assistant Professor at Johns Hopkins University, Dr. Fishman specializes in Addiction Medicine, Addiction Psychiatry and Child & Adolescent Psychiatry and is the Medical Director for Maryland Treatment Centers and Manor Treatment in Baltimore.

Where & When:

The online video conference will be Thursday, January 9 from 12 – 1:30 p.m.

Registration:

Join Dr. Fishman's session for FREE by registering for PACC. Go to ictp.uw.edu/programs/uw-pacc or email uwpacc@uw.edu.

*Credit for continuing medical education is available for a nominal fee.
