

Double your dollars for fresh food and free, easy cooking lessons!

Get Twice the Free Food at Your Farmers Market!

Do you want to eat more fresh fruits and vegetables, but don't know where to start? Do you know that by choosing and eating the right foods you can better control health conditions like diabetes or high blood pressure? If so, we've got great news for you! You can use your SNAP, WIC, or SFMNP benefits to get twice as much free, fresh produce at your local farmers market through the Double Dollars program. To find your local, participating farmers market and learn how to use your benefits, visit <https://cfaky.org/kdd/>.

We care about you and your family

We are very excited to partner with Kentucky Double Dollars so that your dollar can go further to get more healthy food! We want to help you and your family have the chance to add healthier options at home. We look forward to seeing you at your next local farmers market!

FREE Virtual Healthy Cooking Lessons!

Once you get your fresh produce, we'll show you how to make some easy, healthy dishes for you and your family! Stop by the Passport Health Plan by Molina Healthcare booth, or visit <https://www.molinahealthcare.com/members/ky/mem/medicaid/overvw/hw-resources/healthy-cooking.aspx>. Tune in weekly to learn how to cook with the vegetables and fruits in season. You can also learn some tips for healthier living and self-care.
