

FARXADEYDA!

Buugga Leyliga

Waan wanaagsanahay.

Magaceyga waa _____.

Midab mari!

**Waxaan
ahay ilmo
wanagsan!**

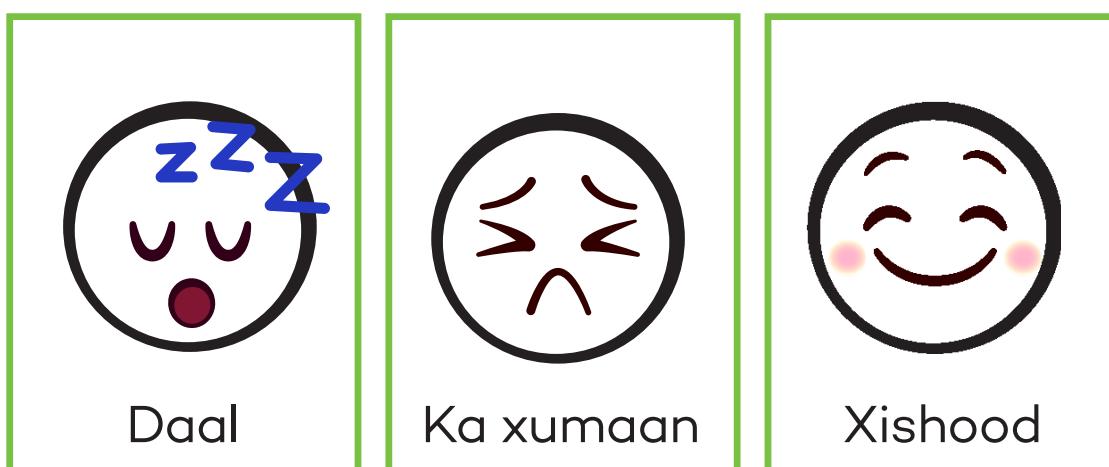

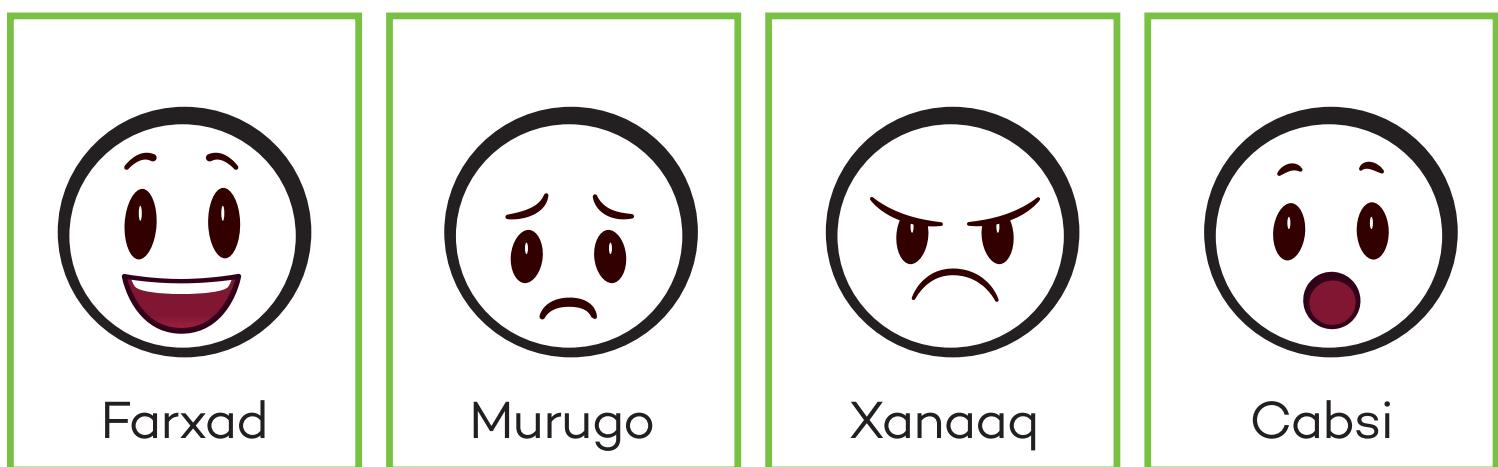

Ma jiro qof dhameystiran.
Waa in aan isku kalsoonaadaa!

Waa in la tixgeliyaa dareenkeyga!

Iyada oo aan loo eegin sida aad dareemeyso, **dareenkaaga waa mid muhim ah** waayo waxa ay naga caawineysaa in aan adiga wax kaa ogaano. Sidoo kale dareenkaaga waa mid muhim ah dadka ku daryeelaya oo ku caawinaya. **Wax dhib ah kuma jiro in aad qof la wadaagto sida aad dareemeyso** si lagaaga caawiyo dareenkaaga.

Midabee sawirka u taagan sida aad iminka dareemeyso.

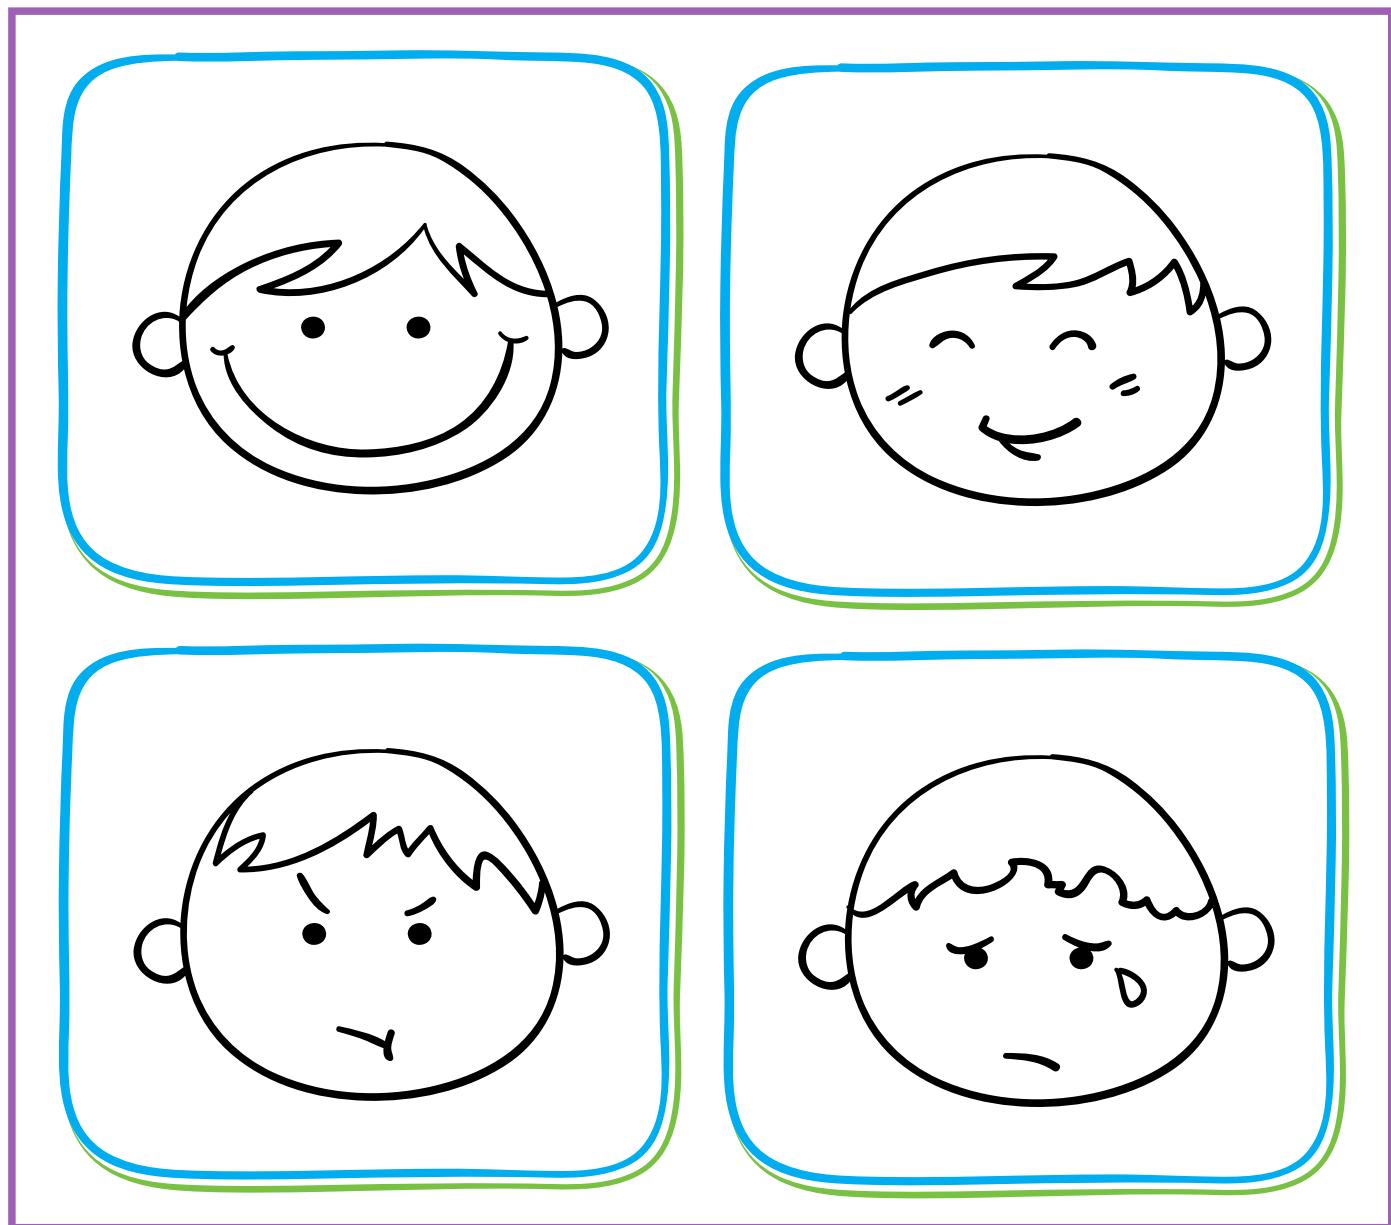

Neefta qaado oo is daji.

Marka aan jahwareero, waxaa jira waxyaabao aan sameyn karo oo nafteyda ku dajin karo si aan u wanaagsanaado.

① Sidee ayaad ku ogaataa in aad jahawareertay? Waxaa laga yaabaa in wadnahaagu xoog u garaaco, waxa laga yaabaa in aad xanaaq dareento ama aad dooneysyo in aad ooysa, ama wajigaagu soo kaduudmo.

Midabee sawirka aad is leedahay waxa uu u taagan yahay jahawareer!

2 Markan, dooro mid ka mid ah sawirada boggan. Dooro sawirka u taagan hal shay oo aad sameyn laheyd marka aad dareento in aad jahawareertay. Wax dhib ah kuma jiro in aad wax ka badan hal sawir midabeyso.

Midabee sawirka u taagan dhamaan midabada aad jeceshahay!

Raadso saaxiib aad la ciyaarto

Si fican neefta uga qaado sanka oo ka soo saar afkaaga (sida oo buufinaya buufin balaaran)

Weydiiso caawinaad qof weyn

Hees ku luuqee

Sawir sawirkaaga

Waxaan ahay ilmo naxariis badan!

Dadka kale oo
wanaag u sameyso
waa mid aad loo
tixgelinayo, waana
wax wanaagsan!

Xusuuso markii ugu dambaysay
oo qof uu fidiyey fal naxariis leh.
Sidee ayaad dareemeysaa?

Waxa aan dareemay _____.

Marka aad u naxariisato qofka kale waxa uu dareemayaa
farxad iyo inuu yahay qof muhim ah.

Goobaabin geli u sawirka u taagan talaabada naxariista ah
ee aad qaadi doonto todobaadkan.

Dheh

ka geysو
suxuunta

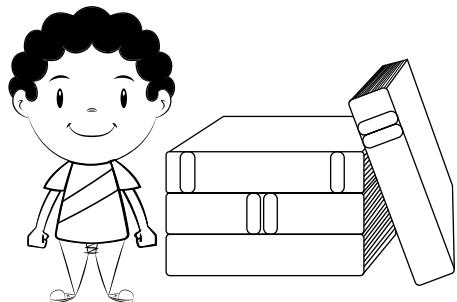

Qof kale hab sii
si aad farxad u
geliso

Buuxi meelaha banaan:

Waxa aan doo tay in a n u nax riisto qof ka ta oo la
ku mo.

Waxyaabaha aan nafteyda ku jeclahay.

Goobaabin kale, ama sawir waxyaabaha aad ku wanaagsan tahay!

Waxaan ahay qof
caqli badan!

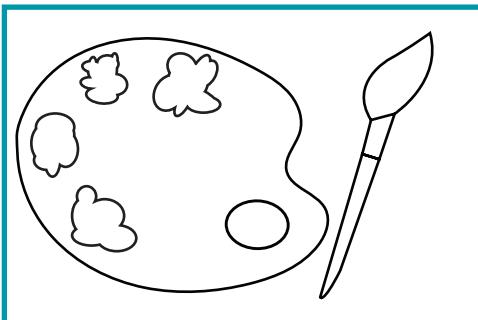

Saaxibaday ayaan
ka qosliyaa!

Waan naxariis
badnahay!

Waan ku wanaagsanahay
ciyaaraha!

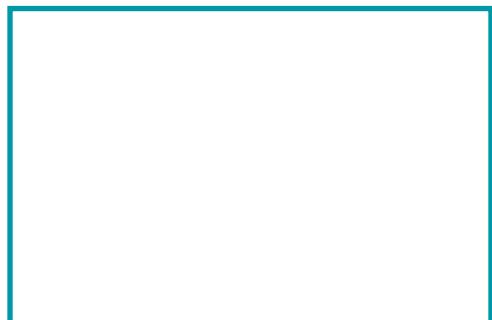

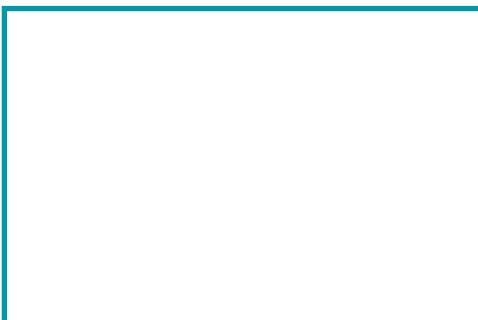

Waxa aan leeyahay
hal abuur!

Waxa aan ahay
geesi!

Tabar badan ayaan
iga buuxda!

Sawir waxyaabaha aad ku
wanagsan tahay!

Waxyaabaha wanaagsan.

Kor ugu akhri naftaada maalin kasta. Tani waxa ay kaa caawineysaa in aad maalinta si wanaagsan ku biloowdo!

Waxa aan sameyn karaa waxyabobo
badan oo wanaagsan.

Nafteyda aad baan ula hanweynahay.

Waxa aan xalilin karaa dhibaattooyinkayga.

Waxa aan wax ka bartay khaladkeyga
oo aan ka gudbay.

Waxa aan isku dayey sida ugu wanaagsan.

Waxa aan sameyn karaw
axyaabaha igu adag.

Ra'yigeyga waa muhim.

Sida aan iminka ahay ayaan ku
wanaagsanahay.

Waxa aan ahay qof caqli badan
oo awood badan.

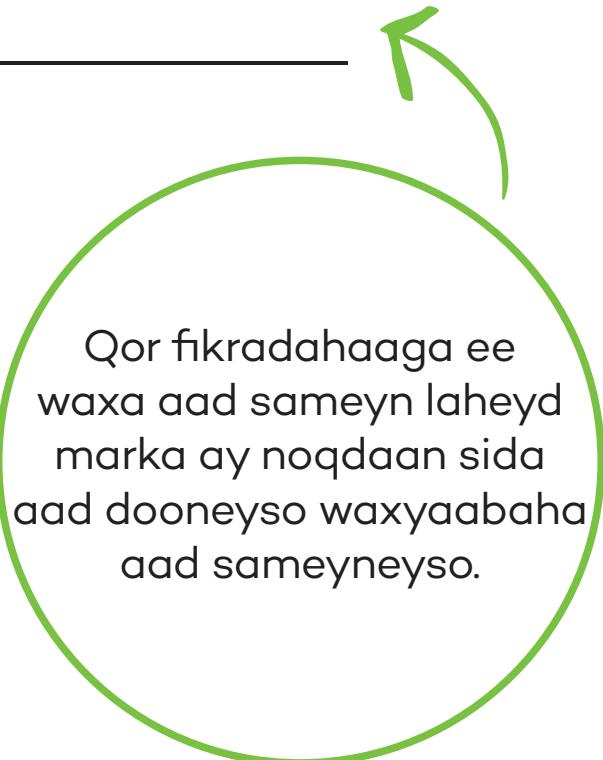

Dadka kale wey i jecel yihiin.

Mar kale waan isku dayi karaa.

Wax dhib ah kuma jiro in aad khalad sameyso.

Haddii aan sameeyo wax aan markiiba ii habooneyn, waxa aan markiiba:

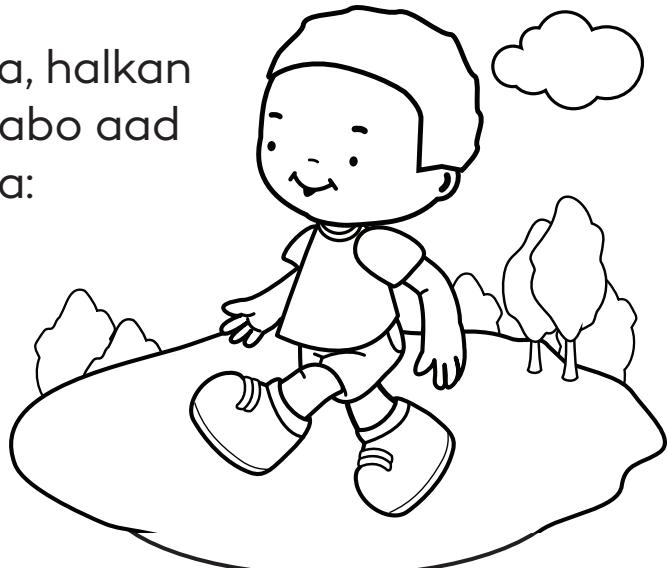

- Caawinaad weydiisnayaa qof weyn
- Waxa aan wax ka bartaa khaladaadkeyga
- Niyad wanaag ku joogaa
- isku dayaa in aan wax kale qabto
- _____
- _____

Maxaa la sameeyaa marka aad dareento isku buuq ah?

Haddii ay jiraan wax ku welwel gelinaya, halkan waxaan kuugu soo gudbinayaa waxyabo aad sameyn karto oo naftaada caawin kara:

- Saaxiib la sheekeyso
- Naftaada u sheeg “in aa sameyn karto!”
- Neefta hoos u qaado
- Naftaada si wanaagsan ula hadal
- Hurdo kugu filan seexo
- Samee waxyabaha aad jeceshahy si aad walwalka isaga yareyso
- Dibadda u bax oo dabeeecadda daawo
- Waqtii kaligaa ah naftaada la qaado
- Qoraal ka samee
- Naftaada u sheeg in aad ka gudubto

XuSuusnoow, waad ka gudbi kartaa!

Maxaad yeeleysaa haddii uu qof ku maago?

Haddii qof ku xumeeyo, kugu shaacireysto, ama dhaawac niyadda ah kuu geysto waxaa lagu magacaabaa faduulin.

Haddii faduulin la ii geysto, waxa aan balan qaadayaa...

- Noqo geesi** — ka dhaqaaq oo ka jeeso kuwa ku faduulinaya. Is difaac oo u sheeg qofka ku faduulinaya inuu joojiyo. Ka dibna, iska dhag in aadan dooneyn in aad tusto qofka ku faduulinaya in aadan dan ka laheyn.
- Qof weyn u sheeg** — waalid, ayeeyo/awoowe, eedo ama adeer, waalid ku soo korsaday, macalin tababare, la taliyaha dugsiga, ama maamulaha.

Faduulinta waa mid dhaawaceysa kuwa kale waxayna ilmuhi dareemaan in ay cabsadaan. Haddii aad dareento in laguu geystay faduulin, u sheeg qof aad ku kalsoon tahay, sida qof weyn oo kale.

Ha noqon qof dib u gurta

Naftaada daji. Qofka ku faduulinaya waa in aad u sheegtaa inuu joojiyo ama ka soco oo ka dhaqaaq.

Ka digtoonoow qofka ku faduulinaya oo saaxiibo isku xiran sameyso

Isku day in aad markasta ardayda kale ku dhix jirto, wada socotaan ama macalimiinta la joogto marka:

- Tagto suuliga aad marka fasalka oo dhan suuliga wada aado (isticmaalayo)
- Cuntada ardayda kale la cun.
- Fariiso xagga hore ee baska.
- Saaxiib la soco meel kasta oo qofka ku faduulinaya uu joogo, fasalada dhexdooda iyo meelaha lagu nasto.

Magac _____

Fasal _____

Saxiix _____

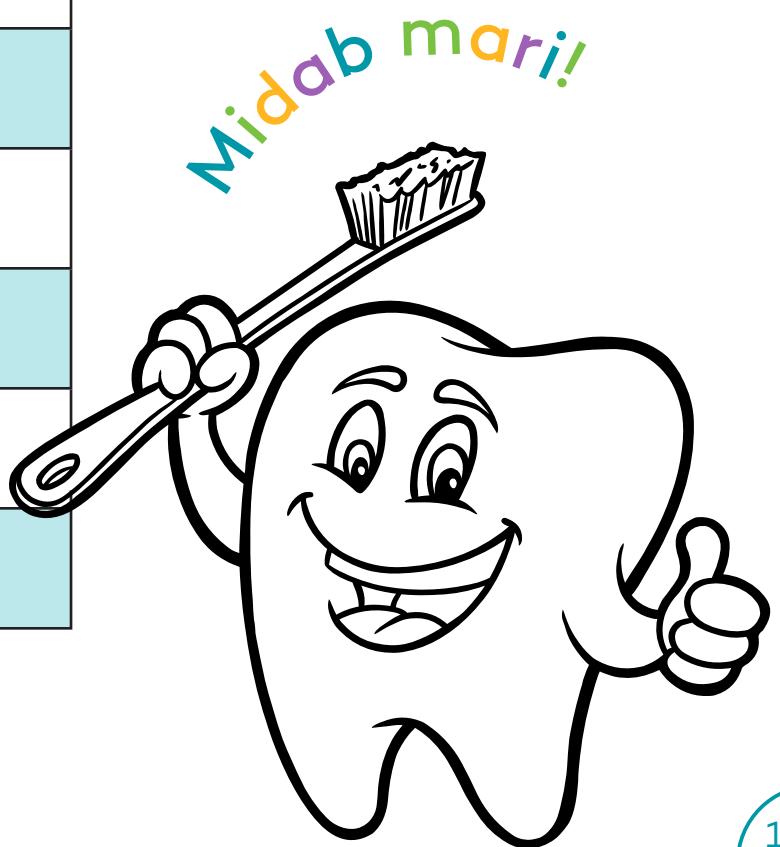

Sida aan naftayda u daryeelayo

Afka ayaan cadayanayaa maanta!

Sax ku calaamadee ✓ mar kasta oo aad cadayato ilkaha dhexdooda aad nadiifiso.

Ilkahaaga cadayo oo dhexdooda nadiifi **laba jeer maalintii**, maalin kasta oo dhakhtarka ilkaha u tag laba jeer sanadkii. Marka aad ilmahaaga daryeesho, jirkaaga oo dhan ayey caawineysaa!

Midab mari!

J Waxa ay u taagan tahay jimicsi

Heesta aan ugu jeclahay waa: _____

Ciyaarsiiska aan ugu jeclahay waa: _____

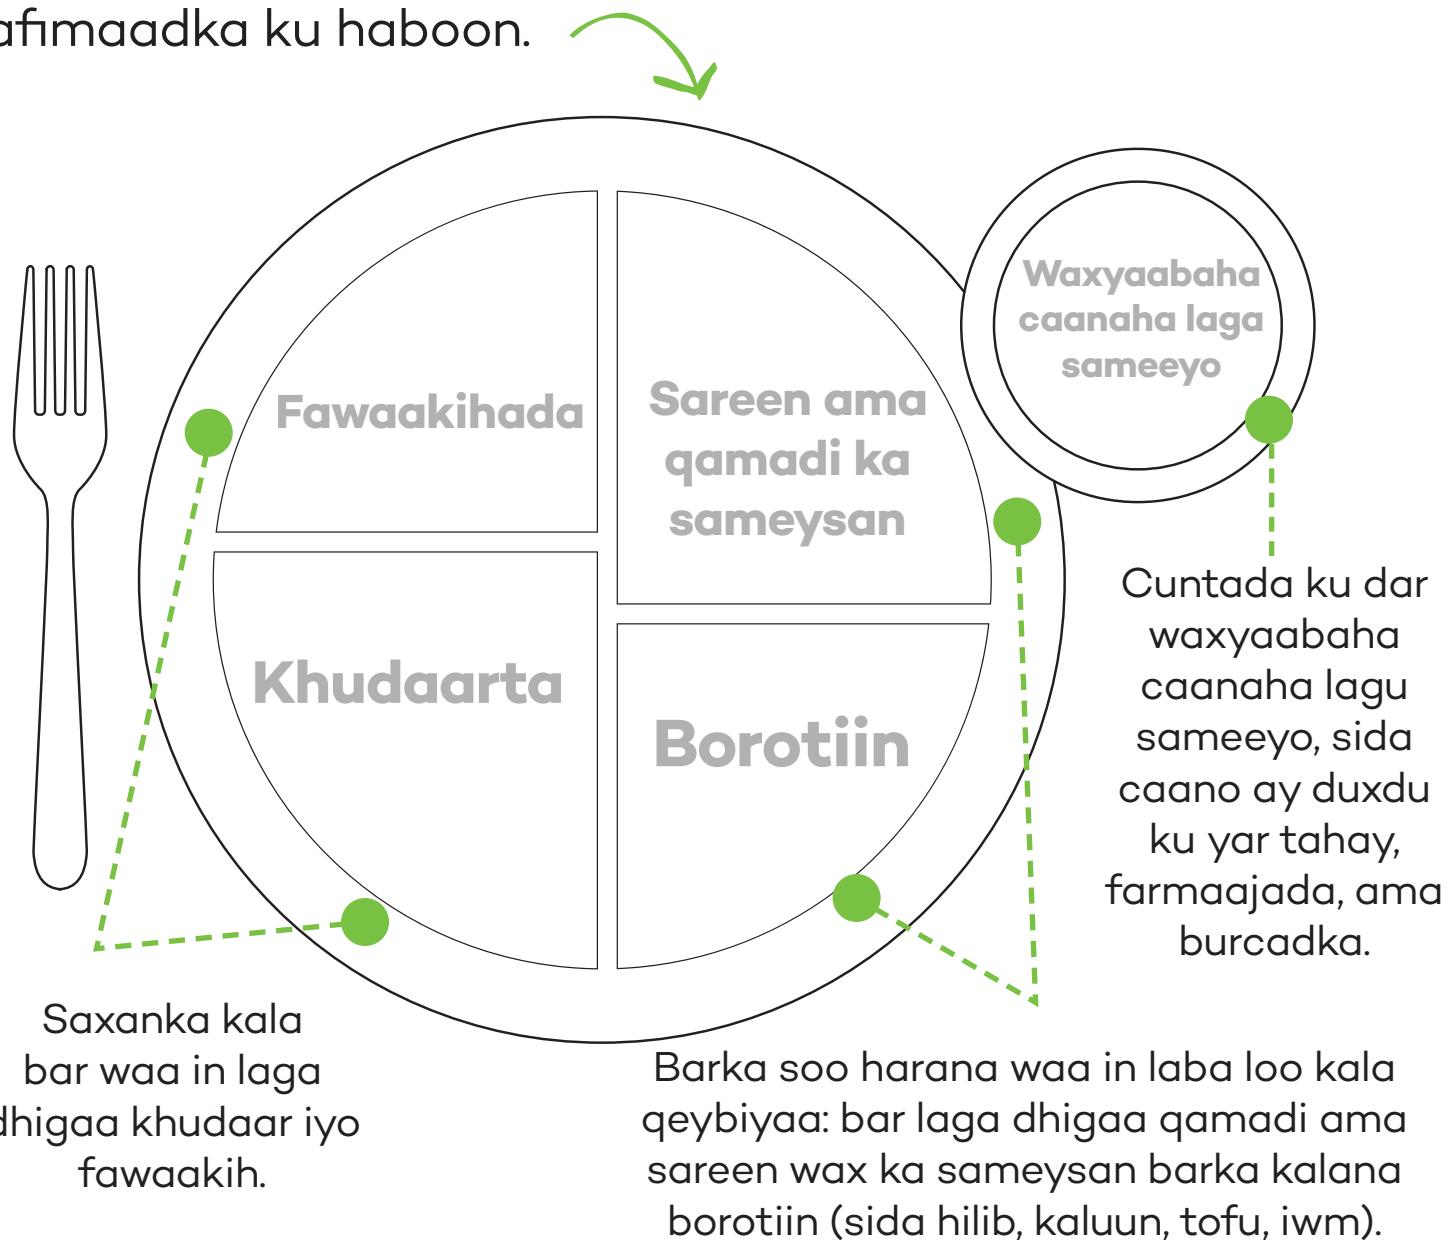

Jimicsiga waa mid farxad leh, taasoo aad ku sameyn karto meeshii aad doonto! Shido heesta aad ugu jeceshahay oo ku samee qoob ka ciyaar! Ilaa heesta ka dhamaato. Wad qoob ka ciyaarka!

Waxaan doortaa unto caafimaad leh.

Marka aan cuno unto caafimaadka u wanaagsan, waxa aan dareemaa caafimaad waxaanan helaa tamar dheeraad ah oo aan ku sameeyo waxyaabaha aan jeclahay in aan sameeyo sida in aan saaxiibaday la ciy aaro!

Halkan ayaan kuugu sheegeynaa waxa loola jeedaa unto caafimaadka ku haboon.

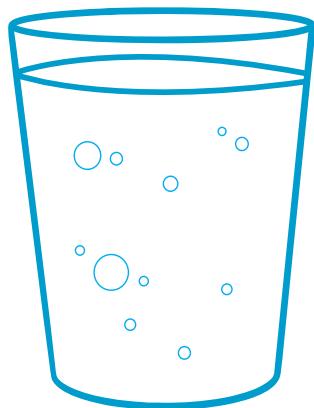

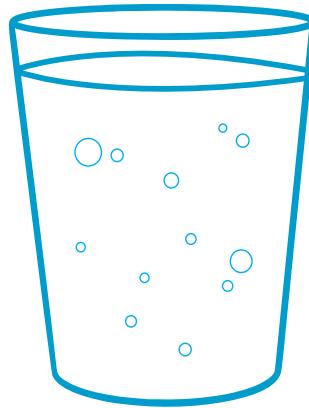

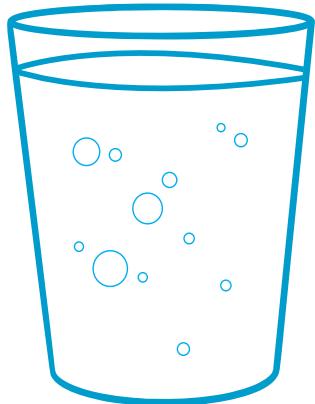

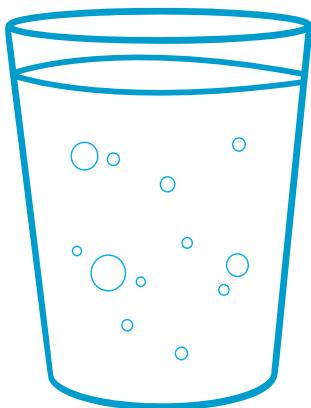

Sawir ama midabee dhamaan cuntada
aad ka jeceshahay koox kasta

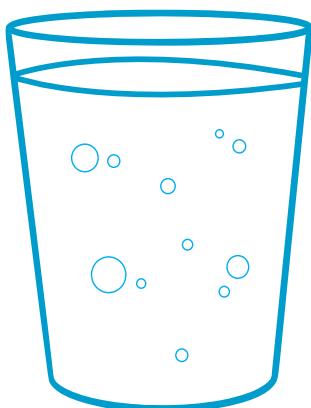

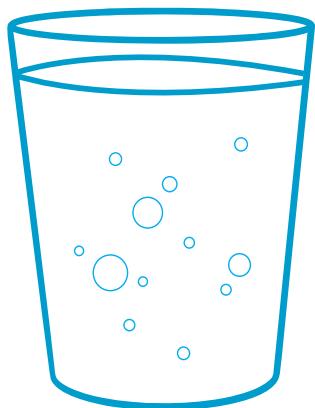

Biyaha ayaa ugu WANAAGSAN

Waxaan ku ilaalin karaa caafimaadkeyga aniga jirkeyga biyo ku filan siiya. Biyaha waa sida ugu wanaagsan ee jirka lagu qoyn karo!

Ilmuu waxa ay u baahan yihiin 4 ilaa 6 koob oo biyo ah maalintii si ay u ilaaliyaan caafimaadkooda!

Ku sawir waji
farxad ka muuqato
koob kasta oo biyo
ah oo aad cabto
maanta.

Xilliga seexashada

Waxyaabo isku mid ah oo aad sameyso ka hor inta aadan seexan habeenkii waxaa la dhahaa waxyaabaha soo noqnoqda. **Waxyaabaha soo noqnoqda** waxa ay kaa caawineysaa in aad horay u seexato, si wanaagsan u seexato oo caafimaad aad dareento. Waxaa intaas dheer, nasasho wanaagsan oo aad hesho waxa ay jirkaaga ka caawineysaa in jirkaaga iyo maskaxdaadu caafimaad, awood iyo **farxad** ku nagaadaan!

Qorshaha seexashadeyda caafimaadka ku haboon

Waax maxay waxyaabaha aad sameyso ka hor inta aadan seexan?

TALAABADA 1aad:

Waxa ugu horeeya ee aad inta badan sameyneso waa in aad damiso dhamaan shaashada ugu yaraan saacad ka hor inta aadan sariirta tagin. Shaashada waxaa loola jeedaa Telefishinada, tabletka, telefoonada gacanta, iyo ciyaaraha caruurta. Talaabada ugu dambeysa waa in aad sariirta tagto.

TALAABADA 2aad:

Ka dooro 4 ama 5 waxyaabood oo aad sameyn karto habeen kasta oo u kala hormari sida aad u sameyso. Sida aad u kala horumariso waxyaabaha aad sameyso in aadan seexan ka hor.

Qor waxyaabaha aad mar kasta sameyso sida aad u kala horumariso:

1. Dami dhamaan shaashada
- 2.
- 3.
- 4.
- 5.
