Molina is Converting to Paperless Payments – Immediate Action Required

Molina will transition to paperless payments to providers this summer. This will require action on your part as our records indicate your Tax ID is not registered for Electronic Funds Transfer (EFT) and your organization is still receiving paper checks for your claim payments.

Please follow the instructions below to set up your account for EFT through CHANGE Healthcare by no later than June 30, 2022.

BENEFITS

You can search/view/print/download/save the PDF electronic version of your Explanation of Payment (EOP) (also known as Remittance Advice). You can have your 835 files routed to your FTP.
