A fax bulletin for the Molina Healthcare of Washington Provider Network

MCG Cite AutoAuth Effective February 16, 2022 (Marketplace)

Molina Healthcare of Washington is happy to announce that we will be introducing a new self-service method for our Marketplace Line of Business to submit Advanced Imaging Prior Authorization requests effective February 16, 2022.

This system can be accessed electronically via the provider portal and will be available 24 hours per day, 7 days per week. This method of submission will be an alternative to the existing fax/phone/email process. Clinical information attached to the submission by the providers office will be reviewed by Molina. This system will provide more efficient processing of your authorization request, and the status of the authorization will be available immediately upon completion of your submission.

Again, this service will be available only for your Marketplace Advanced Imaging Prior Authorization requests.

If you wish to learn more about MCG Cite AutoAuth, please visit MCG website (<http://www.mcg.com/>) or call (888) 464-4746. Thank you for your partnership in caring for Molina Healthcare members.

Sincerely,

Molina Healthcare of Washington
