Molina Marketplace’s quality improvement plan and program

We’re committed to making sure you get the best care possible. That’s why each year, **we put a plan in place to keep improving:**

- Our services
- The quality of the care you receive
- The way we communicate with you

Our goals are to:

- Give you services that benefit your health
- Work with providers to get you the care you need

- Address your language and cultural needs
- Reduce any barriers to getting care, like issues with language

We also want to hear how we're doing. We review the past year of service to check our progress. We may send you a survey to get your feedback.

We may also send surveys to see how many members get their needed services. These surveys tell us what care is needed. One of these surveys is called the Qualified Health Plan (QHP) Enrollee Experience Survey.

The QHP survey asks questions about how you rate:

- Your health care
- Your primary care provider (PCP)
- Your health plan
- Specialist(s) you have seen
- Well-check exams
- How easy it is for you to get care
- How easy it is for you to get care quickly

HEDIS® (Healthcare Effectiveness Data and Information Set)

We also measure how many of our members get key tests and exams.

We look at:

- Annual exams
- Diabetes care
- Mammograms (x-rays of the breast)
- Medicine management
- Pap tests
- Prenatal care
- Postpartum care
- Shots (flu, child and teen shots)

We care about your health. We want to help you take better care of yourself and your family.

To do this, we:

- Remind you to get well-check exams and shots for yourself and your child
- Teach you about any chronic health conditions you have
- Make sure you get prenatal and postpartum care if you're pregnant
- Remind you to get Pap tests and mammograms, if needed
- Address any complaints you have
- Help you find and use information on our website
- Tell you about special services we offer

To learn more, call the Customer Support Center at **(888) 560-2043** (TTY: 711) Monday–Friday, 8 a.m. – 6 p.m. You can ask for a printed copy of our Quality Improvement plan and results.

Guidelines to keep you healthy

We give you information about preventive services and when to get them. This information does not replace your doctor’s advice.

To make the most of these guidelines:

- Take time to read them
- Write down questions and bring them to your next checkup
- Tell your provider about any health problems you or your children are having
- Go to your appointments
- If you miss an appointment, reschedule right away

We help you learn about key tests and exams to help you with health conditions, such as diabetes, chronic obstructive pulmonary disease (COPD) and depression. See **MolinaMarketplace.com** for details. Call the Customer Support Center at **(888) 560-2043** (TTY: 711) Monday–Friday, 8 a.m. – 6 p.m.

How we work with providers to make decisions about your care

Some services must be preapproved before we will cover them. We work with your provider to find out what services you need. This is called utilization management (UM).

- We do not reward providers or others for denying services
- We do not pay extra to providers or UM staff to make choices that give you less care

If you have a question about our UM process or rulings, call the Customer Support Center at **(888) 560-2043** (TTY: 711) Monday–Friday, 8 a.m. – 6 p.m. We can accept collect calls. If you need help in your language, bilingual staff or interpreters are available at no cost. We also offer TTY services if you have hearing or speech problems. Please leave a message with your phone number if you call after hours or on the weekend. We will return your call within one business day. The Customer Support Center may also call to talk about UM issues. If the Customer Support Center calls, we will use our name, title and Molina’s name as a way to identify us as the caller.

Grievances and appeals

If you have problems with your medical care or services, you have the right to file a grievance (complaint) or appeal.

File a grievance for things like:

- The care you get from your provider or hospital
- The time it takes to get an appointment or be seen by a provider
- Provider availability in your area

File an appeal when you don't agree with our decision to:

- Stop, change, suspend, reduce or deny a service
- Deny payment for services

You may ask for an expedited review if the decision puts your life or health at risk. You may also ask for an independent review if your appeal is denied.

Visit MolinaMarketplace.com or see your Member Handbook to read about:

- Grievance, appeal and independent review process, rights and timeframes

For questions, call the Customer Support Center at **(888) 560-2043** (TTY: 711).

Your right to appeal a denial

What is a denial?

A denial means we will not pay for a service or bill. If we deny your service, you have the right to find out why it was denied. You have the right to appeal.

If we deny your service, you will get a letter telling you why. It will tell you about your right to appeal. You can read about these rights in your Member Handbook. You can learn how to file an appeal at **MolinaMarketplace.com**. The Customer Support Center can also help you file an appeal.

If you're not happy with the result of your appeal, you can ask for an independent review. Providers outside of Molina will look at all the facts and decide. Molina will follow this finding.

Your right to an Advance Directive

You have the right to accept or refuse treatment offered by a provider. If you are unable to tell the provider what you want, you need to make your wishes known. It's important to have an Advance Directive. You can have one for medical and mental health care.

An Advance Directive is a legal form that tells providers the kind of care you want if you cannot speak for yourself. Write an Advance Directive before you have an emergency. This keeps other people from making important health decisions for you if you cannot make your own. There are different types of Advance Directives.

Some examples are:

- Power of Attorney for Health Care
- A Living Will

It's your choice to have an Advance Directive. No one can deny you care based on whether or not you have one. For help making decisions about your care, talk with someone you trust. This might be a family member or friend. You can also talk with your lawyer or PCP.

Call the Customer Support Center at **(888) 560-2043** (TTY: 711) for help getting an Advance Directive that follows state laws.

If you have signed an Advance Directive and think your provider has not followed your wishes, you may file a complaint. Visit **MolinaMarketplace.com** or call the Customer Support Center for details.
