B. Preguntas frecuentes (FAQ)

Aquí encontrará las respuestas a las preguntas que pueda tener sobre esta *Lista de medicamentos cubiertos*. Para obtener más información o buscar preguntas y respuestas, usted puede leer todas las Preguntas frecuentes.

B1. ¿Qué medicamentos con receta están en la *Lista de Medicamentos Cubiertos* (o “Lista de Medicamentos”)?

Los medicamentos de la *Lista de medicamentos cubiertos* que comienza en la página 14 son los medicamentos cubiertos por Molina Dual Options. Los medicamentos están disponibles en las farmacias dentro de nuestra red. Una farmacia está en nuestra red si tenemos un acuerdo con ellos para que pueda trabajar con nosotros y pueda proporcionarle servicios a usted. Nos referimos a estas farmacias como “farmacias de la red”.

- Molina Dual Options cubrirá todos los medicamentos médicamente necesarios de la Lista de medicamentos, si:

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

- su médico u otro profesional autorizado dice que usted los necesita para mejorar o para seguir sano, **y**
- usted surte la receta en una farmacia de la red de Molina Dual Options.
- Molina Dual Options podría tener pasos adicionales para tener acceso a ciertos tipos de medicamentos (consulte la pregunta B4 abajo).

Usted también puede encontrar una lista actualizada de los medicamentos que cubrimos en nuestro sitio web, anotado al pie de la página, o llamando a Servicios al miembro al número que figura en la parte inferior de la página.

B2. ¿La Lista de medicamentos cambia alguna vez?

Sí, y Molina Dual Options debe seguir las reglas de Medicare y Healthy Connections Medicaid cuando se realicen cambios. Podríamos agregar o quitar medicamentos de la Lista de Medicamentos durante el año.

También podríamos cambiar nuestras reglas sobre algunos medicamentos. Por ejemplo, podríamos:

- Decidir requerir o no requerir aprobación previa (PA) para algún medicamento. (La PA es el permiso de Molina Dual Options antes de que usted pueda obtener un medicamento).
- Aumentar o reducir la cantidad de un medicamento que usted puede obtener (llamado límite de cantidad).
- Agregar o cambiar restricciones a la terapia escalonada de un medicamento. (Terapia escalonada significa que usted podría tener que probar un medicamento antes que cubramos otro medicamento.)

Para obtener más información acerca de estas restricciones, consulte la pregunta B4.

Si está tomando un medicamento que estaba cubierto al **principio** del año, generalmente no eliminaremos ni cambiaremos la cobertura de ese medicamento **durante el resto del año** a menos que:

- salga al mercado un medicamento nuevo y más barato que funcione tan bien como un medicamento en la Lista de medicamentos actual, ○
- nos demos cuenta de que un medicamento no es seguro, ○
- un medicamento sea retirado del mercado.

Las preguntas B3 y B6 de abajo contienen más información sobre lo que sucederá cuando la Lista de medicamentos cambie.

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

- Usted siempre puede leer la Lista de medicamentos actualizada de Molina Dual Options en nuestro sitio web, que figura al pie de la página.
- También puede llamar a Servicios al miembro para revisar la Lista de medicamentos actual al número que figura en la parte inferior de la página.

B3. ¿Qué sucederá cuando haya un cambio en la Lista de medicamentos?

Algunos cambios a la Lista de medicamentos ocurren **de inmediato**. Por ejemplo:

- **Un nuevo medicamento genérico está disponible.** A veces, sale al mercado un medicamento genérico nuevo que funciona tan bien como un medicamento que existe en la Lista de medicamentos actual. Cuando eso ocurre, podemos eliminar el medicamento de marca y añadir el nuevo medicamento genérico, pero su costo para el medicamento nuevo seguirá siendo el mismo. Cuando agregamos un nuevo medicamento genérico, podemos también decidir mantener el medicamento de marca en la lista, pero cambiar sus reglas de cobertura o sus límites.
 - Es posible que no le informemos antes de hacer este cambio, pero le enviaremos información sobre el cambio específico una vez realizado.
 - Usted o su proveedor pueden pedir una “excepción” de estos cambios. Le mandaremos un aviso con los pasos que puede tomar para pedir una excepción. Para obtener más información sobre las excepciones, consulte la pregunta B10.
- **Un medicamento se retira del mercado.** Si la Administración de Alimentos y Medicamentos (FDA) determina que un medicamento que usted está tomando no es seguro o si el fabricante del medicamento lo retira del mercado, lo eliminaremos de la Lista de medicamentos. Le avisaremos del cambio si usted está tomando el medicamento. Hable con su doctor u otro recetador para encontrar una alternativa que sea segura para usted.

Es posible que hagamos otros cambios que pueden afectar a los medicamentos que usted toma. Le informaremos por adelantado sobre estos cambios en la Lista de medicamentos. Estos cambios pueden ocurrir si:

- La FDA provee nuevas guías o hay nuevas pautas clínicas sobre un medicamento.
- Agregamos un medicamento genérico que no es nuevo en el mercado **y**
 - Reemplazamos un medicamento de marca que está en la Lista de medicamentos actualmente **o**
 - Cambiamos las reglas de cobertura o los límites para el medicamento de marca.

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

Cuando sucedan estos cambios:

- Le informaremos al menos 30 días antes de que realicemos el cambio en la Lista de medicamentos, o
- Le informaremos y le proporcionaremos un suministro para 31 días del medicamento luego de que usted solicite un nuevo surtido.

Esto le dará tiempo para hablar con su médico u otro profesional autorizado, que pueden ayudarlo a decidir:

- Si hay un medicamento similar en la Lista de medicamentos que usted puede tomar en su lugar o
- Si debe pedir una excepción a estos cambios. Para obtener más información sobre excepciones, consulte la pregunta B10.

B4. ¿La cobertura de medicamentos tiene alguna restricción o límite, o hay que hacer algo en particular para obtener ciertos medicamentos?

Sí, algunos medicamentos tienen reglas de cobertura o tienen límites de cantidad que usted puede obtener. En algunos casos, usted o su médico u otro profesional autorizado tendrán que hacer algo antes de poder obtener el medicamento. Por ejemplo:

- **Autorización previa (PA) o aprobación:** En el caso de algunos medicamentos, su médico u otro profesional deben obtener una PA por parte de Molina Dual Options antes de hacer una receta. Molina Dual Options podría no cubrir el medicamento si usted no consigue la aprobación.
- **Límites de cantidad:** A veces Molina Dual Options limita la cantidad de un medicamento que usted puede obtener.
- **Terapia escalonada:** A veces Molina Dual Options exige que usted siga una terapia escalonada. Esto significa que usted tendrá que probar los medicamentos para su enfermedad en un cierto orden. Usted podría tener que probar un medicamento antes de que cubramos otro medicamento. Si a su médico le parece que el primer medicamento no funciona para usted, entonces cubriremos el segundo.

Para averiguar si su medicamento tiene algún requisito o límite adicional, consulte la tabla de las páginas 14 - 116. Usted también puede obtener más información visitando nuestro sitio web, que figura en la parte inferior de la página. Tenemos en internet documentos que explican nuestras restricciones de PA y de terapia escalonada. También puede pedirnos que le enviemos una copia.

Usted puede pedir una excepción a esos límites. Esto le dará tiempo para hablar con su médico u otro profesional autorizado. Ellos podrán ayudarlo a decidir si hay algún otro medicamento

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

similar en la Lista de medicamentos que usted puede tomar en su lugar o si tiene que pedir una excepción. Para obtener más información sobre las excepciones, consulte las preguntas B10 - B12.

B5. ¿Cómo sé si el medicamento que quiero tiene límites o si tiene que hacer algo para obtenerlo?

La tabla de medicamentos de la página 14 tiene una columna llamada “Medidas necesarias, restricciones o límites de uso”.

B6. ¿Qué sucederá si Molina Dual Options cambia las reglas sobre cómo cubrimos algunos medicamentos (por ejemplo, requisitos de autorización previa (PA) o aprobación, límites de cantidad o restricciones de terapia escalonada)?

En algunos casos, le avisaremos por adelantado si agregamos o cambiamos requisitos de PA, límites de cantidad y restricciones de terapia escalonada a un medicamento. Para obtener más información sobre este aviso por adelantado y sobre las situaciones en las cuales no le notificaremos por adelantado cuando cambiemos nuestras reglas sobre medicamentos en la Lista de medicamentos, consulte la pregunta B3.

B7. ¿Cómo puedo encontrar un medicamento en la Lista de medicamentos?

Hay dos maneras de encontrar un medicamento:

- Puede buscar por orden alfabético, por el nombre del medicamento o
- Puede buscar por enfermedad.

Para buscar **en orden alfabético**, consulte el índice de la sección Medicamentos cubiertos. Usted puede encontrarla en la página 117.

Para buscar **por enfermedad**, busque la sección titulada “Medicamentos agrupados por tipos de enfermedades” de la página 14. Los medicamentos de esta sección están agrupados en categorías, de acuerdo con el tipo de enfermedades para las que se usan como tratamiento. Por ejemplo, si usted tiene una enfermedad del corazón, debe buscar en la categoría Cardiovascular. Ahí encontrará los medicamentos que traten enfermedades del corazón.

B8. ¿Qué pasará si el medicamento que quiero tomar no está en la Lista de medicamentos?

Si usted no encuentra su medicamento en la Lista de medicamentos, llame a Servicios al miembro al que figura en la parte inferior de la página y pregunte por él. Si se entera de que Molina Dual Options no cubrirá el medicamento, usted puede hacer lo siguiente:

- Pedir a Servicios al miembro una lista de medicamentos similares al que quiere tomar. Luego, muestre la lista a su médico u otro profesional autorizado. Este

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

podrá recetarle un medicamento similar al de la Lista de medicamentos que usted quiere tomar. **O**

- Pedir al plan de salud que haga una excepción para cubrir su medicamento. Para obtener más información sobre las excepciones, consulte las preguntas B10 - B12.

B9. ¿Qué pasará si soy un miembro nuevo de Molina Dual Options y no puedo encontrar mi medicamento en la Lista de medicamentos o tengo problemas para obtener mi medicamento?

Podemos ayudarle. Cubriremos su medicamento temporariamente con un suministro de 31 días de su medicamento de la Parte D y un suministro de 90 días de su medicamento cubierto por Healthy Connections Medicaid durante los primeros 180 días que usted sea miembro de Molina Dual Options. Esto le dará tiempo para hablar con su médico u otro profesional autorizado. Ellos determinarán si hay algún otro medicamento similar en la Lista de medicamentos que usted puede tomar en su lugar o si tiene que pedir una excepción.

Si su receta es para menos días, permitiremos varios resurtidos para proporcionarle hasta un máximo de 31 días de medicamento.

Cubriremos un suministro de su medicamento para 31 días si:

- usted está tomando algún medicamento que no está en nuestra Lista de medicamentos **O**
- las reglas del plan de salud no le permiten obtener la cantidad recetada por su profesional autorizado **O**
- el medicamento requiere PA de Molina Dual Options **O**
- usted toma algún medicamento que forma parte de una restricción de terapia escalonada.

Si usted está en un hogar para personas de la tercera edad u otro centro de cuidado a largo plazo y necesita un medicamento que no está en la Lista de medicamentos o si no puede obtener fácilmente el medicamento que necesita, podemos ayudarle. Si usted ha estado en el plan por más de 90 días, vive en una institución de cuidado a largo plazo y necesita su suministro de inmediato:

- Le cubriremos un suministro de 31 días del medicamento que necesite (a menos que tenga una receta para menos días), aunque sea o no sea un nuevo miembro de Molina Dual Options.
- Esto es adicional al suministro temporal durante los primeros 90 días que sea un miembro de Molina Dual Options.

Política de transición

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

Los miembros pueden resultar afectados por los cambios en nuestro formulario de un año al otro. Debe hablar con su doctor para decidir si debe cambiar a otro medicamento cubierto o solicitar una excepción de formulario para obtener la cobertura del medicamento. Consulte el Capítulo 9 del Manual del Miembro para obtener más información sobre cómo solicitar una excepción. Comuníquese con el Departamento de Servicios para Miembros si necesita ayuda para cambiar un medicamento diferente que tenga cobertura o si necesita ayuda para solicitar una excepción de formulario.

- **Si usted es un miembro actual afectado por un cambio en el formulario de un año al otro**, proporcionaremos un suministro provisional de 31-day del medicamento que no está en el formulario si necesita una renovación del medicamento durante los primeros 180 días del año del plan nuevo para medicamentos de la Parte D y de Healthy Connections Medicaid.

Cuando un miembro va a una farmacia de la red porque le proporcionamos un suministro provisional de un medicamento que no está en nuestro formulario, está sujeto a restricciones o tiene límites de cobertura (pero que de otro modo se considera un “medicamento de la Parte D”), cubriremos un suministro de 31-day (a menos que la receta médica esté hecha por menos días). Por lo general, después de cubrir el suministro provisional de 31-day, no cubriremos nuevamente estos medicamentos como parte de nuestra política de transición.

- **Si usted es un miembro actual y no se ve afectado por un cambio en el formulario**
 - Si no vive en un centro de atención a largo plazo, le proporcionaremos un suministro de 31-day de los medicamentos de la Parte D y de Healthy Connections Medicaid que no estén en el formulario o que tengan limitaciones durante los primeros 90-días del año natural.
 - Si ingresa en un centro de atención a largo plazo (como una residencia para ancianos) en los primeros 180 días desde su inscripción en el plan, se cubrirá un suministro provisional adicional de hasta 31 días durante los primeros 90 días de su admisión en el centro de atención a largo plazo si su medicamento no está en el formulario o si tiene otras limitaciones.

Suministro provisional

Le enviaremos un aviso por escrito después de cubrir su suministro provisional. En este aviso, se explicarán los pasos que puede seguir para solicitar una excepción y cómo trabajar con su doctor para decidir si debe cambiar su medicamento por uno apropiado que sí esté cubierto.

Si el residente ha estado inscrito en nuestro plan durante más de 180 días y necesita un medicamento que no se encuentra en nuestro formulario o que está sujeto a otras restricciones, tales como una terapia progresiva o dosis limitada, cubriremos un suministro provisional de emergencia de 31-day de ese medicamento (a menos que tenga una receta médica por menos días) mientras el miembro tramita una excepción de formulario. Existen excepciones disponibles en situaciones en que usted experimenta un cambio en el nivel de atención que recibe, que

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

también requiere que realice una transición desde un centro de tratamiento hacia otro. En dichas circunstancias, usted sería elegible para una excepción provisional de una renovación de 31-day por única vez, aunque hayan pasado los primeros 180 días como miembro del plan.

B10. ¿Puedo pedir al plan que haga una excepción para cubrir mi medicamento?

Sí. Usted puede pedirle a Molina Dual Options que haga una excepción para cubrir su medicamento si no está en la Lista de medicamentos.

Usted también puede pedirnos un cambio a las reglas de su medicamento.

- Por ejemplo, Molina Dual Options podría limitar la cantidad que cubriremos de un medicamento. Si su medicamento tiene un límite, usted puede pedirnos que quitemos el límite y que cubramos más.
 - Otros ejemplos: Usted puede pedirnos que quitemos las restricciones de terapia escalonada o los requisitos de PA.
-

B11. ¿Cómo puedo pedir una excepción?

Para pedir una excepción, llame a Un representante de Servicios al miembro trabajará con usted y su proveedor para ayudarle a solicitar una excepción. Para obtener más información sobre excepciones, también puede consultar el Capítulo 9 del *Manual del miembro*.

B12. ¿Cuánto tiempo lleva obtener una excepción?

Tras recibir una declaración de su profesional autorizado apoyando su petición de una excepción, le daremos una decisión a más tardar en 72 horas. Su recetador puede llamar a Molina Dual Options o enviar por fax la declaración de apoyo al (866) 290-1309.

Si usted o su profesional autorizado piensan que su salud podría deteriorarse si tiene que esperar 72 horas para obtener una decisión, entonces usted puede pedir una excepción acelerada (una decisión más rápida). Si su profesional autorizado apoya su petición, le daremos una decisión a más tardar 24 horas después de recibir la declaración de apoyo de su profesional autorizado.

B13. ¿Qué son los medicamentos genéricos?

Los medicamentos genéricos están hechos con los mismos ingredientes activos que los medicamentos de marca. Generalmente cuestan menos que los medicamentos de marca y no tienen marcas tan conocidas. Los medicamentos genéricos son aprobados por la Administración de Alimentos y Medicamentos (FDA).

Molina Dual Options cubre tanto medicamentos de marca como medicamentos genéricos.

B14. ¿Qué son los medicamentos de venta sin receta médica (OTC)?

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

OTC quiere decir "medicamentos de venta sin receta médica". Molina Dual Options cubre algunos medicamentos de venta sin receta médica cuando son recetados por su proveedor.

Usted puede leer la Lista de medicamentos de Molina Dual Options para averiguar qué medicamentos de venta sin receta médica están cubiertos.

B15. ¿Cuánto es mi copago?

Como miembro de Molina Dual Options, usted no tiene copagos por medicamentos de receta y medicamentos de venta sin receta médica, siempre y cuando siga las reglas de Molina Dual Options.

B16. ¿Qué son los niveles de medicamentos?

Los niveles son grupos de medicamentos de nuestra Lista de medicamentos.

- Los medicamentos de Nivel 1 son medicamentos genéricos. Para los medicamentos del Nivel 1, usted paga un copago de \$0.
- Los medicamentos de Nivel 2 son medicamentos de marca. Para los medicamentos del Nivel 2, usted paga un copago de \$0.
- Los medicamentos del Nivel 3 son medicamentos que no son de Medicare Rx/de venta libre (OTC). Para los medicamentos del Nivel 3, usted paga un copago de \$0.

C. Resumen de la *Lista de medicamentos cubiertos*

La siguiente lista de medicamentos cubiertos le da información sobre los medicamentos cubiertos por Molina Dual Options. Si usted tiene problemas para encontrar su medicamento en la lista, consulte el Índice de medicamentos cubiertos que comienza en la página 117. El índice alfabético enumera todos los medicamentos cubiertos por Molina Dual Options.

La primera columna de la tabla contiene el nombre del medicamento. Los medicamentos de marca están escritos en mayúsculas (p. ej.: CIPRO), y los medicamentos genéricos están escritos en cursivas minúsculas (p. ej.: *ciproflxacin*).

La información de la columna titulada "Medidas necesarias, restricciones o límites de uso" le indica si Molina Dual Options tiene alguna regla para cubrir su medicamento.

Nota: El símbolo * junto a un medicamento significa que el medicamento no es un "Medicamento de la Parte D". La cantidad que usted paga cuando surta una receta de este medicamento no cuenta en el costo total de sus medicamentos (o sea, la cantidad que usted paga no le ayuda para cumplir con los requisitos para la cobertura catastrófica).

- Además, si recibe Ayuda adicional para pagar sus recetas, usted no recibirá ninguna Ayuda adicional para pagar estos medicamentos. Para obtener más

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

información sobre Ayuda adicional, consulte la información en el recuadro de abajo.

Ayuda adicional es un programa de Medicare que ayuda a personas de ingresos y recursos limitados a reducir sus gastos en medicamentos de receta de la Parte D de Medicare, como primas, deducibles y copagos. Ayuda adicional también se llama “Subsidio por bajos ingresos” o “LIS”.

- Estos medicamentos también tienen reglas diferentes para las apelaciones. Una *apelación* es una manera formal de pedirnos que revisemos alguna decisión de cobertura y que la cambiemos si le parece que hemos cometido un error. Por ejemplo, podríamos decidir que un medicamento que usted quiere ya no está cubierto por Medicare o Healthy Connections Medicaid.
- Si usted o su médico no están de acuerdo con nuestra decisión, usted puede apelar. Para pedir instrucciones sobre cómo apelar, llame a Servicios al miembro al número de teléfono que figura al pie de la página. Usted también puede enterarse de cómo apelar una decisión en el Capítulo 9 del *Manual del miembro*.

C1. Medicamentos agrupados por tipos de enfermedades

Los medicamentos de esta sección están agrupados en categorías, de acuerdo con el tipo de enfermedades para las que se usan como tratamiento. Por ejemplo, si usted tiene una enfermedad del corazón, debe buscar en la categoría <therapeutic category name example>. Ahí encontrará los medicamentos que traten enfermedades del corazón.

Si tiene preguntas, llame a Molina Dual Options al (855) 735-5831, TTY: 711, los 7 días a la semana, de 8:00 a.m. a 8:00 p.m., hora local. La llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

Estos son los significados de los códigos usados en la columna “Medidas necesarias, restricciones o límites de uso”:

PA = Autorización previa (aprobación): debe tener aprobación antes de poder obtener este medicamento.

QL = Límites de cantidad: la cantidad del medicamento que cubrirá el plan.

ST = Criterios de terapia escalonada: debe probar otro medicamento antes de poder obtener este.

NM = Pedido no por correo: este medicamento no se puede surtir mediante pedido por correo.

B/D = Este medicamento puede estar cubierto por la Parte B o D de Medicare, según las circunstancias.

LA = Medicamento de acceso limitado: este medicamento puede estar disponible solo en ciertas farmacias.

(*) = Medicamentos que no pertenecen a la Parte D o artículos OTC que están cubiertos por Medicaid.

NDS = Suministro de días no extendidos: estará limitado a la cantidad de días de suministro que puede recibir.
